

Samsung For Impact Privacy Policy

1. By submitting your application, you agree that the data and information provided by you will be processed and shared for evaluating applications and for communication purposes with the applicants. Such data will include, among others, participant information (first name, last name, company, email address etc.)
2. Data related to you, your project, your business plan, your organization and associated people, such as your employees, will be used for the purposes of the evaluation process and shared with Samsung's affiliated companies and with Samsung's external partners (e.g. SEIF Zurich and Bluelion) and IT providers (e.g. Visible Solutions AG Zurich). Samsung carefully selects such external third party data processor and places them under a contractual undertaking to guarantee confidentiality as well as the security of the personal data. They may only process the received personal data in the same way as Samsung itself.
3. The data you submit will be stored for the duration of the program and for archiving purposes according to statutory record-keeping obligations.
4. You can view, edit or delete your data by accessing functionalities on the platform or by contacting us.
5. In addition, [Samsung's privacy policy](#) will apply.
